

First Class – Part One

Revision Sheet – Wings & Regions

The Air Cadet Organisation is broken up into little pieces to break down the administration and encourage competition to be the best Wing or Region! The Organisation is broken down into six regions that have nothing to do with countries or counties. Each of these regions is then broken down into wings. Each wing contains a number of squadrons. Like this:-

The Six Regions

- Central & East Region
- London & South East Region (LASER)
- North Region
- Scotland & Northern Ireland Region
- Wales & West Region
- South West Region

Wings

2028 (Southam) Sqn is in the Warwickshire & Birmingham Wing, which is one of five Wings in the Central & East Region. The others are

- Beds & Camb Wing
- Herts & Bucks Wing
- Norfolk & Suffolk Wing
- South & East Midlands Wing
- Warwickshire & Birmingham Wing

Squadrons

Each Squadron is one of roughly twenty or thirty Squadrons within a wing. In the Warwickshire & Birmingham Wing there are 26 Squadrons and one Detached Flight (a Squadron so small that it is joined to a bigger Squadron). A full list of the Squadrons in our Wing can be found on the internet here: http://www.aircadets-wbw.org/org_squadrons.htm
